The Cares Fundraiser Program

"Serving you while helping you Serve your Cause"

Dixie Restaurants is very proud to support the communities in which we operate in. The Cares Program is way for non-profit groups to raise funds for their causes and needs.

Cares Program Overview

- The Cares program is a fundraiser program in which a non-profit organization can designate a night in which their members, friends, family, and supporters can dine in a designated location and we will contribute 20% of their purchases to their organization. Examples include, School Events, Church Youth groups, Boy Scout troops, Girl Scout troops, Youth Sport teams, etc.

- The *organization must be for non-profit.
  *Organizations not able to participate are:
  Individuals seeking personal aid.
  Political action groups.
  Political candidates.

  NOTE: Dixie Restaurants reserves the right to not participate with fund raising groups or causes at our discretion.

- Dixie Restaurants requires a fundraiser request application to be filled out and approved by the company. An online application must be submitted a minimum of three weeks prior to the requested event date. Approval for your fundraiser could take 3-5 business days from the date of application but we will strive to give approval within 48 hours of the request.

- Fundraiser Nights will be limited to Sunday through Thursday evenings and will last from 4:00 p.m. until closing (9:00 p.m.). Holidays are excluded for fundraiser nights. The fundraiser organization will choose the location for the event that best fits their participants. Only one location can be designated for a fundraiser event.

- Guests supporting the event will need to bring in a custom printed event flyer, which we provide, to receive the 20% donation for their purchases. The flyer will need to be given to the Server at the time of payment. The flyer can be used for dine-in or carry out meals on the designated evening of the event only. Donation is based on food purchases only and excludes tax and gratuity.

- The total amount of the receipts attached to event flyers will be collected and tabulated by the Manager at the end of the evening and sent to the Home Office for processing. You should expect it to take 14 days from the date of your event for your organization to receive their donation check.

If you have any questions regarding The Cares Program please contact Danny Troillett, Director of Guest Relations, at our Home Office (501-666-3494).
